

Congratulations! Your handwriting is now **Red Level**. To achieve **Yellow Level**:

- Check for back-to-front letters and numbers.
- Check for capitals that should be lower case.
- Make sure the tall letters are tall and the stalks are below the line.
- Make sure there are spaces between words.

Congratulations! Your handwriting is now **Red Level**. To achieve **Yellow Level**:

- Check for back-to-front letters and numbers.
- Check for capitals that should be lower case.
- Make sure the tall letters are tall and the stalks are below the line.
- Make sure there are spaces between words.

Congratulations! Your handwriting is now **Yellow Level**. To achieve **Green Level**:

- Make sure your writing is usually joined (except capital letters).
- Make sure the spaces between words are all about the right size.
- If you make a mistake, cross it out neatly with a pencil and ruler. Don't scribble!

Congratulations! Your handwriting is now **Yellow Level**. To achieve **Green Level**:

- Make sure your writing is usually joined (except capital letters).
- Make sure the spaces between words are all about the right size.
- If you make a mistake, cross it out neatly with a pencil and ruler. Don't scribble!

Congratulations! Your handwriting is now **Green Level**. To achieve **Blue Level**:

- Make sure your all letters are a consistent size.
- Make sure your writing is always joined (except capital letters).
- Make sure the spaces between words and paragraphs are all the right size.
- Make sure your writing stays on the line.

Congratulations! Your handwriting is now **Green Level**. To achieve **Blue Level**:

- Make sure your all letters are a consistent size.
- Make sure your writing is always joined (except capital letters).
- Make sure the spaces between words and paragraphs are all the right size.
- Make sure your writing stays on the line.

Congratulations! Your handwriting is now **Blue Level**. To achieve **Bronze Level**:

- Keep your writing this neat at all times (in all subjects).
- Make sure the ascenders and descenders are a consistent height.
- Check you have done everything necessary to present your work neatly (e.g. margin, date, W.A.L.T, and so on).

Congratulations! Your handwriting is now **Bronze Level**. To achieve **Silver Level**:

- Be able to write quickly without compromising presentation.
- Use the space on the page effectively (e.g. decide when it is appropriate to start a new page, use a second margin or leave blank space to enhance clarity).
- I should be able to open any of your books to any page and still see a high standard.

Congratulations! Your handwriting is now **Silver Level**. To achieve **Gold Level**:

- Produce a piece of factual writing on plain A3 or A4 paper. This could be a leaflet or an article but must contain additional features such as title, subheadings and bullet points. Appropriate use of colour, style and layout must be shown.

Congratulations! Your handwriting is now **Gold Level**! Keep it up!
